## A PERFECT SENSATION

**Cooking unlimited - Come, see, wonder and taste ...** this is the slogan for the meeting of the international cooking elite from 22nd - 25th October 2016 for the world's largest culinary showcase. In 2016 the exhibition halls will turn into gourmet restaurants and temples for plate presentations and will provide the International Culinary Art a perfect stage.

***"Messe Erfurt ist the perfect venue for the International Culinary Olympics. The trade fair center in the middle of Germany and Europe also proved highly attractive to our partners and sponsors."***

**Robert Oppeneder**

*President of the German Chefs Association (VKD)*

***"I am very pleased that the Culinary Olympics have found their place in Erfurt. Best conditions for the summit of the chiefs from all over the world are offered by the Messe Erfurt, caterers and hoteliers of Thuringia."***
